Grok Bot for GTM

- A screenshot of the 'Add to Home Screen' dialog in an Android app. The dialog lists six services: Gmail, Google Calendar, Google Drive, Granola, Notion, and Slack. Each service has a green checkmark and the text 'Added' next to it. The services are arranged in two columns. The first column contains Gmail, Google Drive, and Notion. The second column contains Google Calendar, Granola, and Slack. Each service has a small icon to its left. The background is a light gray gradient.
